BY YOUR HORIZONS”

PARANJAPE
ORION
AT BLUE RIDGE ● HINJAWADI PHASE I

Orion stands out as one of the most prominent constellations in the night sky...located on the celestial equator and visible throughout the world.

It is the inspiration behind Paranjape Orion; a 32 storey high residential project at Blue Ridge, that stands tall. Visible from afar and dominating Pune's skyline, it simply dazzles with its brilliance.

HAVE YOU EVER LOOKED BEYOND THE HORIZON?

To grow and evolve in life, we need to continually expand our horizons... and that happens only when we push the boundaries and look at things from a new point of view. Orion gives you that opportunity.

Among the tallest residential projects in Pune, and by far the tallest towers in Blue ridge, Orion gives you a new vantage point and a new view... but not just literally. Orion offers you a lifestyle that changes your perspective on life, and helps you discover a new horizon altogether!

🗨️ DO NOT LOOK TO THE GROUND FOR YOUR NEXT STEP;
GREATNESS LIES WITH THOSE WHO LOOK TO THE HORIZON 🗨️

A LOCATION THAT CHANGES YOUR LIFE!

Orion is located superbly within the award winning township Blue Ridge, in Hinjawadi Phase I. Proximity to hotels, shopping, restaurants, schools, hospitals and most of all the SEZ where more than 40,000 people already work means you don't have to venture far for anything really, and can literally walk to work every day!
